FUNNY CARDS

Hello Gorgeous!

I'm Lindsay and I'm so glad you've stumbled across [my site](#)!

Let me tell you a little bit about myself. I've always been the "go-to" girl for all things crafty. My friends are always asking me, "Hey Linz, can you make something like this?" Or "What do you think of this idea, could you do that?" Over the years I've created so many printables, all for different venues and occasions.

In September of 2018, I decided to turn my passion for creating printables into a small business! It was then that my [Etsy shop](#) was born.

I love beautifully crafting words to create the most stunning printables for either your home or small business.

Do you like my style but don't see something that works for you? Let me know! I love working with people and creating custom listings that meet your needs. I will always respond within 24-48 hours.

My shop is a product of the talents and abilities that I have been blessed with. Every time you make a purchase 10% of all proceeds will be donated to a non-profit organization.

Thank you for your business and I look forward to working with you again.
